HOW IT WORKS

You provide us the:

➤ date ➤ location ➤ pizza selection ➤ serving time

Thats it! We look after the rest..

Once your date has been confirmed it's available, paying the deposit secures your booking. You can then come and taste test a few pizzas on the house when we sell pizzas to the public.

Just let us know when 😊

SEQUENCE OF THE NIGHT

- We arrive two hours before serving time to set up and fire up our woodfire oven.
- When it's time to serve, our elegant buffet table will be ready - offering your guests unlimited pizza all night. Wait staff can also be arranged if preferred.
- Your pizza selection will be freshly made and served hot in rotation throughout the evening.
- Once everyone is full and satisfied - we handle the clean up and box up any leftovers for you to enjoy later.

All while you and your guests can sit back, enjoy your event and savor the culinary experience.

Please read below the Terms & Conditions of our service:

- A photo of the area where the client wants us to set up. This must be confirmed before the deposit is paid to ensure the location is adequate to set up our food trailer. For safety reasons we cannot set up on a hill or slope and require a 10m x 3m (minimum) flat spot. This includes access to the location. If there are extremely tight turns, narrow sections, wet or boggy ground (we will not drive through saturated grass/mud), bridges with weight restrictions (less than 5 tonne) – this must be communicated clearly with photos.
- There must be 3.5m height clearance for our trailer to be able to access your location. Sometimes there may be trees, power lines or other physical structures that are less than 3.5m from the ground. Please check all access points thoroughly to confirm there is enough clearance.
- In the event where either the access or set up location is void by any of the factors above, it is up to the client to have a secondary location with access to power (within 40m to power points). If there is no other adequate location, our service is void with zero refund.
- The minimum spend is exclusive to the number of guests/pizzas only. The cost of wait staff and travel costs are not included in the minimum spend.
- A 20% deposit (minimum \$250) is required to secure the booking. A receipt of your deposit will confirm your booking. If there are any cancellations within three months prior to the event, the deposit is non-refundable. Any cancellations outside 3 months of the event, 50% of the deposit is refundable.
- The number of guests/pizzas can be finalised up to one week from the event. A maximum of 10% drop in numbers can be removed from the final invoice. Any numbers greater than 10% will still be charged at a 10% reduction.
- The full invoice must be paid one month prior to the event. A receipt of the payment is required.
- If the event cancels for any reason within 4 – 31 days of the event, there will be a \$1,000 fee. The remainder of the cost will be refunded. Unfortunately, this is due to opportunity loss.
- If the event cancels within 4 days, the total cost is non-refunded. This is due to all the food being sourced, cooked and prepared.
- If the client wishes to have the pizzas served to the guests individually – Wait staff must be booked in advance. It is recommended 1 wait staff per 30 people. It is an additional \$160 per Wait Staff.
- There is an additional fee of \$160 if the number exceeds 40. This accounts for an additional staff member that is required for cooking.
- If the number of guests exceeds 75 and there are no Wait Staff booked, there is an additional fee of \$160 for an additional staff.
- Sweeney's Pizzas will serve the pizzas 'Buffet style' where the client wishes the pizzas to be served. We will supply a table to serve on if required.
- Sweeney's Pizza will supply napkins and paper plates only. It is the responsibility of the client to supply additional cutlery if preferred.
- Sweeney's Pizza will supply pizza boxes for the clients for any leftover pizzas.
- Gluten free pizzas can be supplied at an additional \$5 per person. Sweeney's Pizza buys pre-made gluten free bases and does not make them like we do with our regular dough. As we work in a confined environment, we can not guarantee there will be zero traces of flour. If this does not suit the customers health requirements, we advise them not to have any.
- Menu can be modified to suit dietary requirements – this must be known one week in advance of booking date. Additional fees may apply.
- Surcharges are included if the event is 30+ KMs from Kincumber, 2251. Please enquire for specific details. This accounts for staff travel + fuel.
- Cooking and serving time can vary from 1 – 2 hours depending on the number of guests.
- Extreme weather (flash flooding/hailstorm) may affect safely providing our service. It is up to the client to have an alternative location adequate in extreme weather. This includes access to the location. Severe/extreme weather may result in cancellation of our service. In this case the total cost is non-refundable. We can still operate in heavy storms however.
- Children under 5 years of age are catered for free of charge. This is capped at 20 children.
- GST is an additional 10% of the total cost. The governments slice of the action 😞
